FTS 160		
Width	120'	140'	160'
Eave Ht	24'	24'	24'
Bay width	12'6"	12'6"	12'6"

FTS 200
Width	200'
Eave Ht	24'
Bay width	12'6"

*If your needs are outside our standard dimensions, we can customize to additional requirements.

– BERRY Amendment Compliant

– MLAMS Contract W56HZV-17-D-0017

– GSA Service Contract 47QFSA19D0006

– NDIA Natl. Defense Industrial Association

FULL WIDTH DOORS

GABLE END

CONFIGURATIONS
– Gable
– Open
– Full width doors
  (50Hz/60Hz Electric winch operated)

VENTILATION
– Fabric ventilation
– Wind driven ventilation
– Electric ventilation
– HVAC - 5, 10, 20 ton systems w/ducting
– Wall duct sets
– Interior ducting

DOORS AND ACCESS
– Single/double
– Fabric sliding doors
– Fabric personnel doors
– Composite steel doors
– Roll up doors
– Full width doors

FLOOR SYSTEMS
– Plastic modular 36,000 psf
– Plastic modular 80,000 psf
– Plywood/lumber/carpet
– Fabric moisture barrier

ELECTRICAL/LIGHTING
– 50Hz or 60Hz - panel boards
– Lights w/cords
– Electrical outlets
– LED or metal Halides
– Safety Kits

LINERS
– Insulating liners R6/R16/R32
  (Decreases HVAC requirements by 40%)

WINDOW/WALL OPTIONS
– Hard walls and fabric windows available

OPTIONAL ADD-ONS
– Skylight
– Tool Kits
– Dehumidification Systems
– Containers
– Generators
– Solar Packages
– Ballistic Protection
– SAR fabric
– EMI/SCIF protection
– Environmental control units
– Fire suppression systems
– Connector vestibules
– Extended Capability Modules (ECMs)*
